EXPERIENCE

Tutor Doctor, West Hull — Private Tutor

February 2023 - Present

Regularly planning and delivering engaging and informative maths and geography sessions for groups and individual students, both in person and online, in preparation for their GCSE and A-Level exams.

Providing extra support such as work to do alone with the option to email out of hours to answer any questions. I can build strong rapport with numerous new students to increase confidence and engagement to achieve the best results.

A-Level Student Quote: "Matt has helped me immensely in my tutoring. Before he started, I was at Grade C in geography, and after my last mocks, he helped me get an A*. He's always been kind, helpful, extremely knowledgeable, and passionate about helping me achieve the best I can do."

Tutor Doctor, Cambridge — Private Tutor

March 2023 - July 2023

After my short time working with Tutor Doctor in West Hull, I was referred to work online within the Cambridge branch. I provide one-to-one and group sessions to support secondary school pupils in maths, complementing their current lessons and improving their attainment.

Home Farm, Whitbread PLC, Hessle — Kitchen Team Member

September 2021 - September 2022

Worked across several stations, often simultaneously, in the kitchen. From pot washing, progressing to preparing a range of dishes across the menu, including support for the main course.

Demonstrated a high level of communication to work with multiple teams on shift and excellent multitasking skills to manage various stations in the kitchen at simultaneously. Keeping a good work ethic and resilience through our busiest periods to provide the best experience for every customer by keeping service fast but maintaining a high level of quality.

Charity Event, Hessle — Event Team Member

May 2023

In preparation, worked as a team to set up the venue to the highest standard and cleanliness in the early hours before clients arrived.

Handled the exchange of money and served food and beverages to clients throughout the day, acting as a bridge between front- and back-of-house teams. While also supporting food preparation during the busiest hours.

Overall, the event raised over £8,000, which will go towards Dove House Hospice, Hessle Community Centre, All Saints Church Tower Appeal, Hessle & Anlaby Food Banks, and more.

EDUCATION

University of Hull — *MEng Computer Science*

September 2022 - June 2026

Secured a high level of understanding and practical use of C# and C++, learning different programming concepts to solve problems efficiently.

Building essential teamwork skills through group projects, further developing skills in communication and group management techniques used in traditional and agile software development.

Created several AI regression, neural network, and random forest prediction models, to predict a variable from a large data-rich dataset. Python

Created a server that can listen on the network for requests, which will query a third-normalised database and return a response to the client. C#

Further knowledge of mathematics and computational thinking to solve complex programming problems, using and applying algorithms.

Hessle Sixth Form — *A-Levels*

September 2020 - June 2022

3 A-Levels: Geography, Computer Science and Maths. (A, B, B)

Created a virtual stocks and shares market by web scraping current real-world stock prices and historical data to develop analytical candlestick charts. C#

Hessle High School — *GCSEs*

September 2015 - June 2020

9 GCSEs: Grade 8-6 including Maths, English Lit & Lang, Biology, Chemistry, Physics, Geography, Computer Science, Sociology.

Interests & Activities

UH Sharks American Football Team — *University of Hull*

September 2022 - Present

Treasurer 2024/2025

Starting team member and played the role of captain on the 4th game of the season. Demonstrating I am a hard-working and dedicated team member who is valued highly only months into joining the team and the sport.

Manages the team's yearly budget and works with other committee members to finance team events and social activities.

5-A-Side Football Team

2021 - 2022

Team gameday manager and treasurer.

Dynamically assessed the team and individual players to decide optimal play styles and strategies to achieve the best outcome for the team.

Supervised the team's funds to ensure we made payments on time and worked with individual players to resolve issues if they couldn't make payments in time.

Regular Gym Member

2020 - present

Member of a local gym for over three years, developing discipline and perseverance through challenging activities.

Hessle Rangers FC

Attended additional 1:1 goalkeeper training sessions along with team training twice a week. Demonstrating a drive to improve through extra means and go the extra mile for the team. Presented with the most improved player award.
